## PERSONAL PROFILE

**Name:** Lokesh v

**Father Name:** Venkatamadaiah

**DOB:** 08/07/2001

**Address:** Badrakalamma nilaya 6th cross  
Ganapathipura JP Nagar Bengaluru  
560062

**Gender:** Male

**Language Known;** Kannada, English and Hindi

## PROJECTS

- **EMPLOYEE DATABASE MANAGEMENT SYSTEM:**

The Employee Database Management System is a project developed using Visual Basic as the front-end interface and SQL as the backend database. It enables efficient management of employee records, including personal details, job information, and payroll. The system ensures secure, organized, and accessible data storage for streamlined HR operations.

- **PREVENTING SOFTWARE SECURITY THREATS :**

The project focuses on preventing software security threats through trusted computation techniques. By integrating secure computation methods, such as encryption and trusted execution environments, the project aims to safeguard software systems from vulnerabilities and attacks, ensuring data integrity and confidentiality while enhancing overall cybersecurity resilience.
